

## Warm Up (Creative Assessment)

### The Lesson: Money (Revision)

### Level: Low beginners (Adults)

#### ❖ Objective

The students will be able to

- distinguish coins
- practice numbers

### Materials:

Worksheet (Appendix 1), coins

### Direction

- Teacher brings a box of different coins.
- Teacher asks the students to get certain amount of coins.  
E.g. the teacher could ask each student to get 4 pennies, 5 quarters, 3 dimes and 2 nickels.
- Teacher will give the students the coins' worksheet.
- The students have to put the correct amount of coins on each blank next to the numbers.
- Teacher will demonstrate the first two rows.
- Teacher asks the students to do the rest and after that check with them with the whole class.

Appendix 1

	1 ¢
	1.70
	50 ¢
	63 ¢

	<b>2.50</b>
	<b>53 ¢</b>
	<b>85 ¢</b>
	<b>1.15</b>

	<p>78 ¢</p>
